Olam International is a leading agri-business operating from seed to shelf in 65 countries, supplying food and industrial raw materials across 16 product platforms to over 13,800 customers worldwide. From first procuring cashews in Nigeria 25 years ago, today Olam has built a global leadership position in many of its businesses such as Edible Nuts, Spices & Vegetable Ingredients, Cocoa, Coffee, Cotton and Rice. For more information about Olam and its products, visit www.olamgroup.com.

Primary Purpose of the Role:

We are seeking a self-motivated individual with great initiative for an entry level “special projects” 2 month assignment located in our College Park, GA office. The successful candidate will be highly organized, detail oriented and capable of multi-tasking. The person must be a self-starter, intelligent, possess strong communication skill and ready to maximize exposure within the company as well as productivity. Candidates will work directly under mid to senior level managers and must be energetic, professional, organized, and excited to learn more about our growing company.

Program Description:

Olam’s Management Training Program is a leadership development program. At program end, Trainees have gained a strong knowledge of products and process and have fostered a network of relationships that will help them serve Olam’s clients and build their own future!

The Program is a reflection of Olam’s innovative corporate culture, where each employee is encouraged to grow via on-the-job experience, classroom education, and through relationships with employees company-wide. Trainees have the ability to have input on the path they take through the program.
Primary Responsibilities:
- Conducting crop research for two months on Pecans (Supply and Demand)
- Help prepare a framework for evaluating plantations investments.
- Studying best land water and price
- Comparing competitors
- Complete projects as assigned
- Provide data for production and efficiency reports
- Analyze report data and review with management
- Other duties as assigned or directed

QUALIFICATIONS (required)
- Entry-level professional.
- A GPA at or above 3.0 (on a 4-point scale)
- Undergraduate or Graduate Student with Agribusiness: Business of Ag Manufacturing or related field
- Strong Analytical background
- Excellent written and oral communication skills
- Strong planning and organizational skills.
- Good computer skills and knowledge of Microsoft Operating systems including Outlook, Excel, PowerPoint and Word, required

QUALIFICATIONS (Preferred):
- Candidates with Agricultural Economics and Business
- Bachelor’s Degree in Agronomy, Ag Business, Ag Economics, Plant Science or Business Administration (preferred)

Desired Characteristics
- Strong interpersonal skills.
- Strong service and customer focus and have demonstrated ability to build and maintain good relationships with customers.
- Demonstrated ability to handle multiple projects and report developments

Application Process: Please apply online - attach your resume, cover letter, and current transcript.
